Re: TIRZ #1 expansion of boundaries and amendments to Project and Financing Plan

This item is brought for your consideration of expanding the boundaries of the Tax Increment Reinvestment Zone (TIF) to include Bright Elementary and the necessary ROW along Stonebrook Parkway to make the Zone contiguous. In order to do this, the City Council must call and hold a public hearing. We are suggesting that this Public hearing be held at the January 16 regular City Council meeting. This will also necessitate a TIF Board meeting at some point prior to the public hearing.

Thank you for your consideration of this item, if I can be of any support, please contact me at 972-335-5551 x125 or by email at atcm@ci.frisco.tx.us.
